NO CELLPHONES DURING SCHOOL REMINDER

This is an important reminder that students are **NOT** to have phones in use on school property, unless for educational purposes. This includes in the morning before school, during the day, during lunch/recess and after school. Phones can only be used once students leave school property.

Thank you for your understanding!

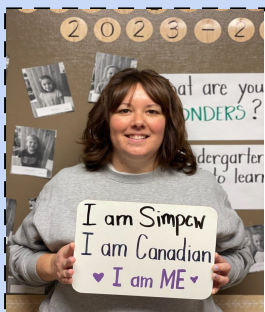

We are very proud of all of our Ravens who, together with our teacher librarian Ms. Reay, have worked hard on their reading to participate in the ***Battle of the Books*** which took place at Casorso Elementary this week. Well done!

This month's focus is **Cooperation!** We launched this theme with the **"Not a Box" House Team Challenge**, where students had the opportunity to practice the character traits that make our school truly phenomenal. This Week in Mrs. Crumb's Class - Grade 2

The students have been actively engaged in learning about Chief Salmon, the Learner, exploring his teachings, cultural significance, and the valuable lessons he imparts about respect, knowledge, and community.

We've also been looking into the life cycle of the keystone species, salmon. Did you know that out of 4,000 eggs, only around two typically survive to return and spawn successfully?

We're hatching chicken eggs in class! In just two more weeks, we're expecting up to 12 fluffy little chicks to join us and start exploring their new (temporary) classroom home!
